COMMUNICATION & ANNOUNCEMENTS!

The Certification and Licensing Program schedule contains a list of the certification schools offered throughout calendar year 2019. Continuing education courses are scheduled in six-month increments. This schedule contains the continuing education courses offered by the program through June 2019.

Renewal Reminder!

All wastewater treatment and collection certificates must be renewed before June 30, 2019. Expired licenses will be assessed a late fee in the amount of \$250 per license, in addition to the renewal fee.

Note: Hours earned prior to certification shall not count toward certification renewal.

Examination Time Limit

All examinations will be restricted to a **four (4) hour** time limit. This will help to ensure all examinees are given the same amount of time to test.

CERTIFYING PROFESSIONALS

Certification Applications

Applications must be submitted accurately and completely. List all the duties associated with each position, but be specific regarding your drinking water and/or wastewater operational duties. If your duties are split between several areas of responsibility, indicate the percentage of time spent working in each area. Applications that don't accurately reflect your experience, could result in disciplinary action.

Reminder: Individuals should not apply to take an examination unless they meet the education and experience requirements at the time the application is submitted.

Certification Fees	
Examination	\$100
Online renewal	\$ 50
Renewal via hard copy	\$100
Late fee	\$250
One-day continuing education training	\$ 30
Two-day continuing education or certification preparatory training without exam	\$ 60
Three-day continuing education or certification preparatory training without exam	\$ 90
Two-day certification preparatory training with exam (Bottled Water only)	\$160
Three-day certification preparatory training with exam	\$190

FOSTERING PARTNERSHIPS

We would like to thank Kentucky Rural Water Association and the Kentucky Water and Wastewater Operator's Association for the opportunity to continue our partnerships through training events, career fairs and other avenues that help promote the importance of operator certification as well as the operator profession. We would also like to thank the Florence Government Center and the London WWTP Training Center for offering complimentary training rooms.

The Division of Compliance Assistance offers free compliance assistance. Our services are available to all individuals, communities and businesses regulated by the Kentucky Department for Environmental Protection (DEP). We want to help you succeed!

Lodging Discount for Operators

The Certification and Licensing Program and the Kentucky Department of Parks have teamed up once again to offer lodging discounts to operators who attend the program's certification training. Reservations should be made as soon as possible since the block of rooms will be released 30 days out from the date of training. The special rate will be available to operators who reference [code DCA](#) when making their reservations at the state parks.
